Author Contribution Form

Manuscript Number: _____ (for office use only)

Title of Manuscript: _____

First Author: _____

I, _____ (author 1), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for intellectual content
- _____ other (please specify)

I, _____ (author 2), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 3), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 4), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 5), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 6), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 7), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 8), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 9), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I, _____ (author 10), declare that have participated in the study and my specific contribution was as follows:

- _____ conception and design of the research
- _____ acquisition of data
- _____ analysis and interpretation of the data
- _____ statistical analysis
- _____ obtaining financing
- _____ writing of the manuscript
- _____ critical revision of the manuscript for important intellectual content
- _____ other (please specify)

I have also seen and approved the final version of the manuscript.

Signature (author 1): _____
